

## S106 – Local Connection Criteria

On The Oaks, we have a small selection of homes that are restricted to a 'local connection' criteria.

This means, priority will be given to customers who have a connection to Congleton on the **below homes**. This connection could be through family, employment, residency or being a member of the Armed Forces.

If you are unsure if you are eligible, please speak to the [Sales Team](#).

Plot	House Type	Description
